

# CABLE SPLITTERS

## Power Splitters

| DIVIDERS | 2-divider | 4-divider |
|----------|-----------|-----------|
|----------|-----------|-----------|

### INM SP2 - cable

| ORDERING DESIGNATIONS  | INM SP2-2 - cable                                 | INM SP2-4 - cable                                 |
|--|---|---|
| Frequency Range  | 144-174 MHz                                       | 144-174 MHz                                       |
| Max. Power   | 150 W   | 150 W   |
| SWR  | < 1.25  | < 1.25  |
| Additional Insertion Loss  | 0.25 dBd  | 0.50 dBd  |
| Impedance  | 50 Ω  | 50 Ω  |
| Connectors   | Antenna end - N (female)<br>Feeder end - N (male) | Antenna end - N (female)<br>Feeder end - N (male) |
| Weight   | 0.6 kg  | 1.9 kg  |
| Length /from the feeder connector to the most distant antenna connector/ | 3.4 m   | 6.8 m   |

### INM SP70 - cable

| ORDERING DESIGNATIONS  | INM SP70-2 - cable                                | INM SP70-4 - cable                                |
|--|---|---|
| Frequency Range  | 380-470 MHz                                       | 380-470 MHz                                       |
| Max. Power   | 100 W   | 100 W   |
| SWR  | < 1.25  | < 1.25  |
| Additional Insertion Loss  | 0.25 dBd  | 0.50 dBd  |
| Impedance  | 50 Ω  | 50 Ω  |
| Connectors   | Antenna end - N (female)<br>Feeder end - N (male) | Antenna end - N (female)<br>Feeder end - N (male) |
| Weight   | 0.35 kg   | 1.1 kg  |
| Length /from the feeder connector to the most distant antenna connector/ | 1.75 m  | 3.56 m  |
